#### Instructions:

- Candidates must fill up columns 2, 3, 4 & 5 (Column 7 is for Office Use).
- For Level HSLC and 10+2/Diploma, the average of highest 5 subjects shall be taken.
- Percentage shall be calculated as per the University CGPA Conversion formula.
- A copy of University Conversion formula must be enclosed along with the Score Sheet.
- In case of certain universities where percentage is not indicated, the aggregate of all the semesters' marks shall be calculated.
- If Graduation & Post Graduation marksheet is combined (Example: Marksheet issued by University of Hyderabad), Marks from Semester 1-6 may be considered for Graduation and Marks for Semester 7-10 may be considered for Post Graduation.
